Subject: Dissolution of ZSA Photography

Dear Griffin,

I hope you're doing well. After careful consideration, I have decided to dissolve ZSA Photography as a subsidiary of AlbinoRaccoon Media Group, effective immediately. This decision is based on both a lack of activity within the venture and personal differences that make it unfeasible to continue under the AlbinoRaccoon umbrella.

Since no assets were created or transferred under ZSA Photography, there are no outstanding matters to settle. This will be a straightforward dissolution, and the brand will no longer exist under the Tanis Enterprises Corporation (parent company, AlbinoRaccoon Media Group).

I appreciate the time and effort you put into this, and I wish you the best moving forward. If you have any questions, feel free to reach out.

Best regards,

Robert Tanis
